Register for an EPC account: It is possible to register your vehicle with EPC before you arrive in Norway. It is optional to register, however, registering for an EPC account will normally reduce the time from your journey to you receiving your invoice. Furthermore, your account will prevent the rental company from adding administration fees, and give you the ability to access your invoices, check due dates, view images, register for email delivery and make payments.

For more information, visit [www.autopass.no](http://www.autopass.no).

### VEHICLES EXCEEDING 3.5 TONNES

**All vehicles with a total permitted weight exceeding 3.5 tonnes registered to a business, government, county municipality or municipality, or which in other ways is used for business, must be equipped with a valid toll tag for all operation on public roads, linked to a current agreement for the payment of tolls in Norway.**

- The tag must be linked to the vehicle's registration number by the agreement, and must be installed in the vehicle;
- The owner of the vehicle, driver or lessee is responsible for entering into an agreement and installing a toll tag;
- Violations of the order are punishable by a fine of NOK 8 000;
- The following tags are valid in Norway: AutoPASS, BroBizz from Øresund and Storebælt and AutoBizz from Scandlines.

It is compulsory for all riders to wear their national team clothing (identical jersey and shorts for all riders) (except in UCI Team Time Trials).

World, Continental and National Champions must wear national team clothing that does not feature any distinctive bands on the sleeves or shorts (except in UCI Team Time Trials).

Furthermore, as the World title is at stake, it is strictly forbidden for any rider to use not only the World Champion's jersey but also rainbow bands on a bicycle or clothing during the UCI Road World Championships (including UCI Team Time Trials).

The sport directors of national teams must submit their national jersey and shorts to the Commissaires' Panel for approval during the confirmation of starters. They must describe the panels on the clothing approved by the National Federation for the use of each rider's sponsors.

### ARTICLE 9 PODIUM CEREMONIES

All podium ceremonies will take place immediately after the finish of the event. The organisation will provide an escort to guide the riders to the podium ceremony area without delay.

The World Champion and the second and third-placed riders must present themselves for the podium ceremony within 10 minutes of the finish of the event. This requirement also applies to the World Champion team, and second and third-placed teams, in the UCI Team Time Trials.

Riders must present themselves in race clothing, wearing their national jersey (or trade team jersey for Team Time Trials) and shall not wear a cap, headband, glasses or any other accessory until they leave the podium ceremony area.

### ARTICLE 10 DISTRIBUTION OF COMMUNQUES AND RESULTS

Results will be available at [www.uci.ch](http://www.uci.ch) after each race and communiques will be sent by email to the sports directors of each team.

Teams may also collect printed versions of the communiques and results at race headquarters.
